

A 3D coordinate system is shown using three white rods. One rod is vertical, another is horizontal, and a third is diagonal. They are connected by white plastic joints. The rods are positioned against a white textured background. A blue label with the text $-x$ is placed near the top of the vertical rod. Another blue label with the text $-z$ is placed near the diagonal rod. A black strap is visible in the upper left corner, and a black plastic component is in the bottom left corner.
